

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

The nourishing of America's body politic is its media streaming information from many viewpoints. The more information and views the stronger we are. That's our way, unique in the world. Better take care of it...protect it. It's all we have to keep us democratically healthy.
